**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont approve the petition that will end competition for phone and internet services. We are all different and want choices. We dont need the cost of internet and phone services to be any higher than they are. Personally I have two different types of phone service, one for my iPad and for my land line and a different provider for my smart phone. I dont think one company the quality service I have now.

Thank you,

Nancy Lane
